

The diagram shows a rectangular component. A box labeled "DP 2/80" is positioned on the top surface. A line points from the text "Stärke in mm" to the box. Another line points from the text "Länge in m" to the bottom edge of the box. A third line points from the text "Dehnpolster" to the left side of the component.

DP 2/80 — Stärke in mm  
 Dehnpolster — Länge in m  
 wenn mit Bindestrich (-),  
 dann über gesamte  
 Länge des Bauteils
